In an effort to assure governmental cooperation and assistance in the use of approved utility facilities, Lake County shall, per the Land Development Regulations Section 6.12.00, require connection to those facilities upon development, within 1,000 feet of an approved central sewage system and/or within 300 feet of an approved central water system.

The owner of the following property has a **Public Hearing** pending for the issuance of a **Development Order** from Lake County. It is understood that a two-day turn around for this information is requested.

Please acknowledge the availability to serve the following property with central utility systems and return this form as directed above via **FAX to (352) 343-9767**. Thank you.
